

VIP NeuroRehab Quarterly

There was a lot going on the 3rd Quarter of 2015...

We are excited to update you all on the success of our VIP 1st Annual Rock & Roll Fundraiser and more-

Enjoy!

A Note from the President

We are proud to say that we have successfully completed our **VIP 1st Annual Rock & Roll Fundraiser!!!** The evening was a blast, with great raffle prizes and music from Alex and their band.

We are extremely thankful to all of our sponsors, attendees, and those who donated toward the event. And a big thank you to Mission Beach Women's Club who generously donated their venue for the night!

Also, we had a wonderful photographer, Ashley Hawkes, donate her time at the fundraiser as well. Keep an eye out for those photos which we will be posting shortly!

VIP is proud to report that the event raised \$7,500 to support VIP in 2016!

Of these donations, 10% will go directly into our [VIP Patient Scholarship Fund](#). This fund is available to military, veterans, and low income individuals who are in need of therapy. To request an application for this program, please email david.vipneuro@gmail.com.

Thank you for making VIP the best rehab facility in San Diego!

-David Charbonnet, President & Patient
