

# VIP NeuroRehab Quarterly

We hope you all had a wonderful 4<sup>th</sup> of July!

VIP had another exciting quarter, take a look! We are looking forward to finishing up the summer strong.

Enjoy!

## A Note from the President

As we celebrated the 4<sup>th</sup> of July this weekend, we would like to take a moment and say **THANK YOU** from our team at VIP to our current military, past military, and their families who have sacrificed so much for this country.

They are the reason we are able to continue celebrating our independence!

Having served in the military, this community is very close to my heart. For this reason, we are currently raising funds and requesting grants in order to provide a discounted rate to military members and their families. Our goal is to have this scholarship opportunity available by the end of 2015.

Lastly, thank you to those who were able to give us online reviews! We greatly appreciate your time and feedback. If you missed it last quarter, simply click on the Yelp and Google+ icons above to submit your review of VIP.

Thank you for making VIP the best rehab facility in San Diego!  
David Charbonnet, President & Patient

## New Member of the VIP Team!

Some of you may have noticed a new face around VIP! We are excited to announce that Margarita has joined the VIP team!

Margarita joined VIP as an Exercise Kinesiologist and is a wonderful asset to our team. She is currently working on Mondays and Fridays by appointment only.

We are proud to say that our rehab team is the best around and know she will be a great addition!

## PATIENT REMINDER:

We know the summer is a busy time for everyone, but please be on time to your therapy session!

Due to an increase in patients, we are unable to make up missed time due to tardiness after your scheduled session.

Thank you!

## Q HIGHLIGHTS

- **MAY-** VIP repaired the BTE Primus and many patients began benefiting from this amazing machine

- **JUNE:** VIP had its largest month of therapy sessions and enjoyed seeing a few past patients come back for a summer session
- **JULY:** VIP launched Community Events Board, located at VIP by the main desk, to promote all neuro related groups & events
